

# Happy New Year 2022

---

**We wish you, your family, and your friends, a good New Year.**

**May 2022 be at least better than 2021 (though that is not asking much 😊)**

---

And, if you are inclined, we can use your help getting ready for a big year filled with studies to help find a way to tame pseudoxanthoma elasticum (PXE). Join us!
