## **CYCLING THE SIERRAS: COMPLETE**

On June 2nd, Sam Harper and Mike Romanow wrapped up the first leg of their “50 By 70” cycling/fundraising series for PXE. Starting in Inverness, California, they pedaled 990 miles in 19 days to Moab, Utah.

Thanks to you, their “Cycling the Sierras” ride raised over \$13,500 for PXE!

Stay tuned because in the Fall of 2020, Sam and Mike are doing their “Eastern Express” ride. Starting in Rhode Island, they will bike the length of the eastern seaboard to Florida, continuing their quest to cycle all 50 states and raise more money for PXE!

They will be training for the next year and a half. How about investing in their training time by sending your “Eastern Express” donation now? You’ll be sending them your vote of confidence and, in 2019, your donation is doubled!

Thank you to Sam and Mike for taking us along on this incredible journey, and thank you to everyone who donated to PXE in their honor.

## PXE WEBINAR SERIES

Our next scheduled webinar is with Dr. Jonathan Schoenecker; he'll present a discussion on biomineralization as it relates to PXE. You can sign up to join this conversation by clicking the button below.

In the meantime, you can watch all of our previous webinars [here, on our YouTube channel](#). Each of these webinars is hosted by a key PXE researcher; don't miss this opportunity to hear about the latest research directly from the scientists themselves.

Please let us know if you have any questions, and stay tuned for the latest webinar updates!
