

## Countdown to \$1 Million for PXE Research

The end of the year is upon us, and the door to our opportunity for a \$500,000 match is closing. We are only \$120,000 short! Please, we need your help. Yes, we are begging you!

Because PXE International is a nonprofit organization we depend entirely upon donations and grants to fund research, support, and the general functions of our team. We are so close to reaching our final goal. Here are a few ways you can help us hit that \$500,000 mark:

- [Use a dollar bill to convince your friends to give!](#)
- [Every time you make a purchase on Amazon 3% goes to PXE International: set up donations to PXE on Amazon Smile](#)
- [Start a Facebook fundraiser in just 6 easy steps](#)
- How about a bake sale or car wash? Everyone loves cupcakes and clean cars!
- Into parties? Throw a party for PXE!

Check out our tricks and tips for running your own fundraiser [here](#). When it comes to fundraising, no amount of money or effort is too small. PXE International is deeply grateful for every dollar raised to help us better understand PXE and how we can help those affected by it.
